## MR. I. C. COLLIER DEAD

Mr. Isaac C. Collier, the well known and highly esteemed citizen, died at his home at Piedmont Saturday morning at 11 o'clock, his death being due to a stroke of paralysis. About two months ago he was first stricken but had improved considerably when he suffered a second stroke on Sunday, July 5th, from which he was never able to rally. His death therefore was not a surprise to those who knew of his condition.

Mr. Collier was sixty four years old and all of his life lived in the vicinity of his Piedmont home. For many years he had been a prominent and useful citizen of Pike county.

The following information about his life will be read with deepest interest by scores of friends throughout this entire surrounding section.

Isaac Cuthbert Collier, for such was the full name of Mr. Collier, was the son of Robert Marshall and Amanda Green Collier and grand son of Robert and Nancy Booker Collier. He was born in Upson County, June 24, 1844. His early days were spent in the High schools of his county but at the age of 17 he took up arms for the Confederacy, serving with Capt. W. H. Hardnett. He saw service around Andersonville prison and was in the skirmishes around Ocean Pond and Lake City, Fla. Coming out of the war at the age of 20 he found his father's estate left bare by Wilson's raid and he was forced, as so many others were, to make his way as best he could. On December 21, 1865 he was married to Miss Sarah Elizabeth Means, daughter of the late John and Nancy Means of Meansville. Owing to a continued spell of typhoid fever during the war he was in bad physical condition but after his marriage he engaged in farming and at once began to add to his acres, always giving his personal attention to every detail of his work and he was generally recognized as one of the most successful farmers in Georgia. In 1890 he moved to

## SUFFERED WITH ECZEMA 25 YEARS

Limb Peeled and Foot Was Like Raw Flesh—Had to Use Crutches, and Doctors Thought Amputation Necessary — Montreal Woman Writes of Cure Seven Years Ago.

### BELIEVES LIFE SAVED BY CUTICURA REMEDIES

"I have been treated by doctors for twenty-five years for a bad case of eczema on my leg. They did their best, but failed to cure it. My doctor had advised me to have my leg cut off, but I said I would try the Cuticura Remedies first. He said, 'Try them if you like, but I do not think they will do any good.' At this time my leg was peeled from the knee, my foot was like a piece of raw flesh, and I had to walk on crutches. I bought a cake of Cuticura Soap, a box of Cuticura Ointment, and a bottle of Cuticura Pills. After the first two treatments the swelling went down, and in two months my leg was cured and the new skin came on. The doctor could not believe his own eyes when he saw that Cuticura had cured me and said that he would use it for his own patients. I used two cakes of Cuticura Soap, three boxes of Ointment, and five bottles of Resolvent, and I have now been cured over seven years, and but for the Cuticura Remedies I might have lost my life. I have lots of grandchildren, and they are frequent users of Cuticura, and I always recommend it to the many people whom my business brings to my house every day. Mrs. Jean-Baptiste Renaud, clairvoyant, 277, Mettana St., Montreal, Que., Feb. 20, 1907."

### Old Folks Service

Rev. O. L. Martin, pastor, announced Sunday morning that he would hold an Old Folks Service at the Baptist church Sunday morning July 26th, which is Sunday week. He hopes to have present every old person of the church and congregation and every body else who cares to attend, but the service will be specially for the older people. The sermon will be especially for their comfort and help. He hopes to have a profitable service of it for all who may be present. There should be a large attendance on that occasion.

Mr. Collier was a member of the Methodist church and was always ready to do his part and the Methodist itinerant preacher always found a welcome at his home. From young manhood he was a regular attendant at the old Upson county camp ground where he mixed and mingled with friends, always giving them a cordial welcome at his tent. He made it a rule of his life never to turn the widow, orphan or the poor from his door without help. He was kind, liberal and generous in his conduct through life and hence there are many to mourn over his death as a personal loss.

On account of failing health Mr. Collier had practically retired from active business and expected soon to move to Barnesville and lay aside entirely all business and anxiety but he has been called from his labors to his eternal reward. The funeral service occurred from the Methodist church here Sunday afternoon, being conducted by Dr. G. W. Yarbrough, after which the body was laid away in the Greenwood cemetery.

Mr. Collier is survived by his wife and Mr. J. C. Collier, who was the only child, to whom the people of the community extend deepest sympathy in this hour of their deep sorrow.

## Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and therefore "sure" effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may

have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
